## fun facts :

**Something Students Wouldn't Know:**

I absolutely love to cook and create new recipes from around the world. Cooking helps me relax and reminds me that learning can be fun and creative, just like in our classroom!

**Activities Outside of School:**

cooking creating new recipes for my family. I, spending time with my loved ones, traveling, and exploring new cultures and foods.

**Favorite Subject in School:**

My favorite subject in school was Social Studies because I loved learning about different people, cultures, and traditions, something that still inspires me to connect with others.
